

## MARINE SAFETY POLICY

This safety policy adds to any existing safety policy required by the Health and Safety at Work etc Act 1974.

The harbour authority is committed to:

- Complying with all legal requirements and the Port Marine Safety Code
- Managing its assets safely and efficiently
- Maintaining relevant harbour equipment to agreed industry standards
- Recruiting and training operational staff to nationally agreed competence levels
- Ensuring that staff are properly trained for emergencies and contingencies

In making these commitments, the Harbour Authority has appointed the **Harbour Master** to fulfil the role of marine operations safety officer.

### **This officer will be responsible for the following:**

- That the Harbour Authority complies with the Port Marine Safety Code.
- Ensuring all risks are assessed and reduced to 'as low as practicable' in accordance with best practice.
- Carrying out routine safety inspections on marine operations and reassessing risks as appropriate.
- Reporting, investigating and recording all accidents, and ensuring that lessons learnt are widely disseminated to appropriate persons and bodies.
- Reviewing this safety policy and recommending revisions to the Harbour Master at least every 3 years.

**These Statements were approved by the Board for and on behalf of the Harbour Authority:**
